SENATOR SVAS: I move the bill be advanced.

SPEAKER: Did the Chair hear a second? Thank you.

SENATOR SVAS: Well Mr. President I think that, I think we should momentarily hold this over until Senator Schmit gets here, I know what the bill does, but I know it's on his intent and purpose of the bill is to allow agriculture burning within the zoning limit which is controlled by municipalities and that isn't quite correct.

SPEAKER: Here's Senator Schmit. We are looking at LB 194 Senator Schmit.

SENATOR SCHMIT: The bill as Senator Svas has explained is to limit the burning in agriculture areas to those areas that are within the city limit, it removes the provision so they can burn within the three mile perimeter surrounding a city. The bill was heard before the committee, there was some objection as you can see by the committee statements, and the Omaha City Council has told us that they did have an ordinance they are in the process of crafting, which would allow them precisely which
